われらは神々の像を破壊して

神々を神殿から追放したが、

それで神々が死んだと思ったら大まちがい。

イオニアのくによ、おお神々はなおきみを愛していなさる。

神々の魂はまだきみを記憶しておられる。

八月の朝の光がきみの空にひろがる時、

きみをつつむ大気には神々の生命が充ちて、

時にエーテル的な若い姿の

さだかならぬが 迅い翼に

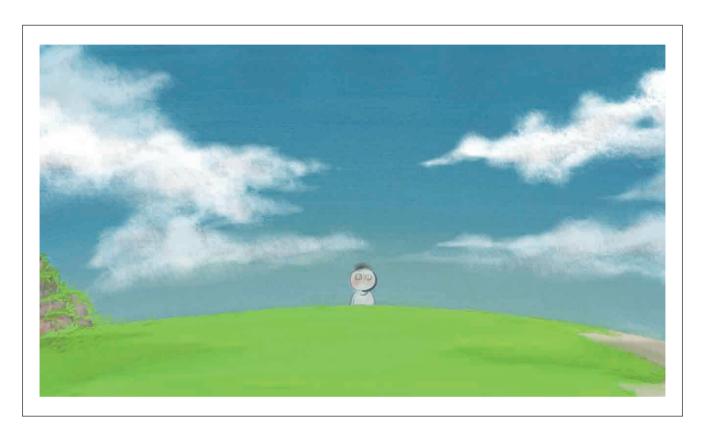

きみの丘々の上を天翔けりゆくではないか。

Commentary:

I visualized that gods's love for people don't change, though people have lost interest in gods.

I can sence a big existence in variety clouds in Auguest.

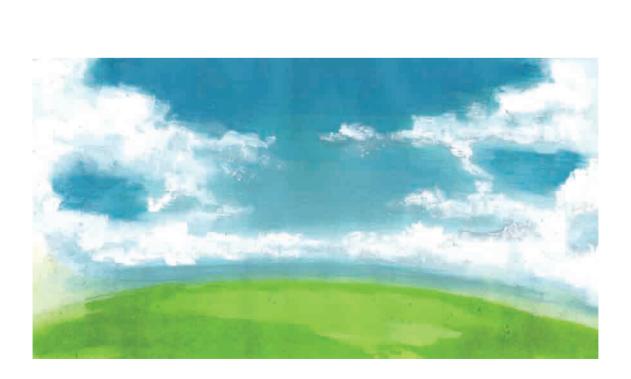

Character Sheets

Character

I tried the character as simple design. I gave this character impassive. Because I didn't want to represented whether he was aware of the existence of Gods.

Background

I reprented grassland with the wide open sky mainly.
